Discussion Items

056. Parish Path Wardens Recruitment Now Open.

The Role of a Parish Path Warden

- Do you love walking and being out in the fresh air and exploring your local area?
- We are asking people to support the work we do by noting down any concerns you have that will affect others using Rights of Ways.
- We are looking for people who have a keen eye and are able to consider differing needs as paths may be clear for some users but may be difficult to access for others.
- Anyone who regularly walks in their local countryside and community can just note down things they find an issue or think may be a problem for others.
- All you need to do is note the problem down and take a photo if possible, either with a camera or with your phone.
- When you come across a path problem e.g. vegetation overgrowth, difficult stile, locked gate, collapsing footbridge, path not made good after ploughing, all you need to do is report it.
- Reporting is easy and we have a great public reporting system that is easy to use.

- Claire Marshall has kindly put her name forward to be the bridleways warden for the parish.
- Chairman asks the Clerk to advertise this role on Facebook one more time.
- Cllr Perryman to contact the Northamptonshire Walks website.
- It maybe possible to have a number of councillors and members of the public to report gates, litter and maintenance issues to the clerk.

057. Updates from the Advisory Sub Committees

This item will be reinstated for discussion at the July Meeting.

Cllr Holland

- Quote one received £10,000 plus VAT.

- Planning permission and Althorp permission will need to be gained.
- Chairman to contact Elizabeth Warden regarding the installation.

To be considered:

- Do the gates need to be electric?
- The gates will only benefit 3 resident's properties.
- Could the residents contribute to the cost as this is a large amount of council funds?
- Confirmation to be sort for the use of CIL money for this project.
- A rota could be set up for the opening and closing of a manual gate.

End of year Internal Audit Report (to be read in conjunction with Annual Internal Audit report in the Annual Governance and Accountability return

Name of council:	Harlestone Parish Council		
Name of Internal Auditor:	Dianne Isaacs	Date of report:	19/05/21
Year ending:	31/03/21	Date audit carried out:	17 -19 /05/21

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the staff and management and not left for internal audit. It would be incorrect to view internal audit as a detailed inspection of all records and transactions of a council to detect error or fraud. The report is based on the evidence made available to me and consequently the report is limited to those matters set out below.

The Council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.

Due to COVID -19 The End of Year Internal audit will be carried out remotely this year. I trust that you all stay safe and well during the year.
